

XO Time - week 4

Hello my friends!
 You did a very good job in Turtle Art!
 Next week, I will publish these.
 *Remember, you can find all my letters to you here: http://wiki.laptop.org/go/XO_Time

Thanks for sharing your names with me!

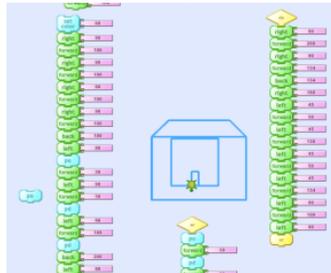

Today I am sharing some of the projects that I received from you last week:

Thanks for the space Bourbon Café at MTN!

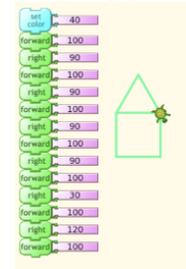

Gislene, Kagugu Primary School

Marci, Kagugu Primary School

Pascaline, Kagugu Primary School

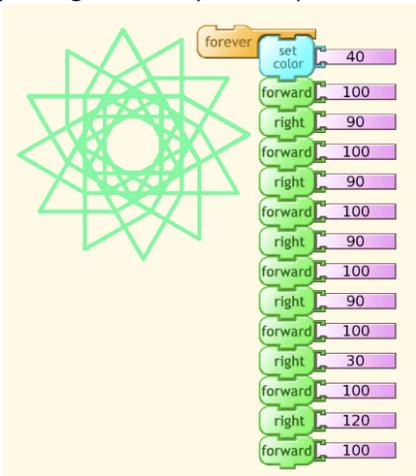

XO Time at Bourbon Cafe, Saturday

Now, I have another challenge for you, to teach the Turtle to draw a beautiful design. There are many ways to make a design in Turtle Art.

First, try teaching the Turtle to draw one shape or letter. After, put the command **REPEAT** and see what happens. I took Pascaline's drawing of a house and used **REPEAT**. Look what happened! (I also used a new block called **RANDOM** try putting this into your script too.

TurtleArt brings together art, math, and programming. Programming involves dragging, dropping and connecting puzzle piece shaped blocks. Math is used to create and explore pattern, shape and texture and art is the result.

Can you send me your designs?

To send your work:
 Once you are done, save your work, by pressing "keep." This will save your project to the journal. Once you have saved, click on your journal. You should see your project as the most recent on the list. It should be called "turtle art activity" click on this writing and change the name to your name.
 Then find a location with Internet access and log onto your email. Open a new message and click "attach file" or "attachment," etc. You should look for your project. Double click on your project, so that it is attached to your email. Write anything in the message that you want me to know about you. For example, how old are you? What grade are you in? Which school do you study? Once you are done, send your email to: xo@laptop.org

YOU CAN FIND HELP WITH MY FRIENDS FROM OLPC SATURDAY, JULY 25, 1:00-3:00pm AT MTN CENTER AT BOURBON CAFÉ (just look for people with XOs) Bring your XO!!!
